RE: Swinomish FY14 Proposal
FY14 Swinomish EPA comments 2-22-16.docx

Peter,

Dietrich asked me to respond to his message below re: the proposal from Swinomish that I commented on last year.

I wanted you to see my draft response to Dietrich on this proposal to make sure you were okay with it. Can you please see my comments on the attached proposal (second attachment) and let me know if you are okay with these additional comments?

Thanks,

Lisa

Hi Dietrich,

Thanks for sending the revised FY14 subaward proposal from Swinomish. We provided initial comments in May 2015 (attached). Please find several additional comments. Thank you for the opportunity to review.

Lisa

Hi Lisa,

Attached is most the current version the FY 2014 Swinomish workplan NWIFC is planning to approve. If you could provide response to close the administrative loop on the EPA comments provided back in May of 2015 that would be great. I kept it in track changes so you could see where costs associated with various tasks changed.

Dietrich
